CourtPlus.org

- Charleston County Circuit and Family Court records and case information can be accessed using Court Plus.
- Registered Court Plus users can create list(s) of favorite cases and choose to receive notifications of new filings or scheduled court hearings.
- Provides easy tracking of cases in Circuit and Family Court and can be configured to send notifications of new filings or scheduled hearings.
- Filed document images are viewable in all Common Pleas cases and to the registered attorney of record in General Sessions and Family Court cases. Email a request to register your existing Courtplus account to feedback@courtplus.org. Please include your courtplus user name and bar number.

Courtroom Technology

All courtrooms are equipped with:

- Public address (PA) system
- Hearing impaired / interpreter infrared headphones
- White noise for sidebar conferences

Five Courtrooms are “wired” for evidence presentation and are equipped with:

- Laptop inputs at counsel table
- Large flat screen display monitor(s)
- Document display camera

Court 3B is one of the five “wired” courtrooms and has added technology including:

- Upgraded document display camera
- Annotation monitor at witness stand
- Annotation monitor for attorney

Please contact the appropriate docket coordinator to reserve a technology courtroom.
